A NOTE ABOUT HEALTH INSURANCE: All Loyola medical students must be covered by health/hospitalization insurance. As such, all students are automatically enrolled in the university plan. If you are already on another plan such as one provided by your spouse or your parents, you can and should waive out of the university plan. If you anticipate waiving out of the school’s hospitalization plan, you must do so by October 1st. However, if you wait that long you must first pay for the university insurance and will not receive a credit on your account until you waive. If you intend to waive, we strongly suggest you do so immediately. Any student who fails to meet the deadline MUST pay for the university plan regardless of whether or not they have other insurance. This deadline is firm; there will be no exceptions or extensions.

If you decide you want the university plan, we strongly suggest you “Fast Track” into the system so that you will get your electronic ID card in a couple of weeks rather than after the October 1st deadline. The web address to waive or Fast Track is: www.luc.edu/locus, then go to “Campus Finances,” then to the “Student Health Insurance” link, and then select either “Waive” or “Fast Track.” In order to learn more about the current year’s plan and its coverage, go to www.uhcsr.com/luc.

9. CENTER FOR FITNESS – Lobby outside of the Center for Fitness, just south of school. Complete profile information prior to orientation week. Stop by Center to sign your user agreements and have ID badge scanned. Your membership in the Center is automatic due to the mandatory Fitness Center fee you pay.

10. Small Group Session, facilitated by M2 leader, you will meet with your M2 leader for a small group session at the time listed on page 1 or 2. Be mindful to complete your session in 30 minutes to allow time for all registration activities.

ANY QUESTIONS YOU MIGHT HAVE ON DAYS 1 THROUGH 3 (MONDAY THROUGH WEDNESDAY)  
CONTACT STUDENT AFFAIRS AT 708-216-3220

Please Note: Every student will have Basic Life Support (BLS) training and Fit Testing on either Thursday or Friday (depending on your assigned group) and you will have the other day (either Thursday or Friday) off to take care of your personal business.

**Before your BLS Certification Session on Thursday or Friday, review the following:**

**Before the Fit Testing there is some important Information you need to know:**
1. No eating or drinking, including gum and mints, for 15 minutes prior to the test.
2. If the student is normally clean shaven then when they come for their FIT test they need to be clean shaven. With facial hair it is not a correct fitting and puts students at risk when they are in airborne isolation.
3. For those men who sometimes are clean shaven or sometimes have facial hair the safe route is to wear a protective PAPR hood instead of the mask. Those who are "always" clean shaven but grew a beard out while they were on break need to be shaved for the mask fitting.

The Student Health Service will be providing “fit testing” for the N-95 respirator in Stritch, room number 450 on both Thursday and Friday, from 10:00 a.m. until noon, and again from 1:00 pm until 3 p.m. Your group has been assigned a day (see following) but you should have signed up for a more specific time when you stopped at the Student Health station this past Monday.
