Instructions for Completing EPIC Computer Based Learning (CBL) Modules Using Healthstream

Below are instructions for accessing, enrolling and completing the EPIC CBLs.

1. Open the Healthstream website: http://www.healthstream.com/HLC/trinityhealth

2. Logon using the user ID and password provided in your emailed instructions. (Your User ID and password are the same and should start with “lu” followed by several numbers.)

3. Click on the Catalog tab. Enter “cbls for medical students” in the search field. The curriculum that you must complete, “LUHS – EPIC CBLs for Medical Students 2015” will appear as a search result.
4. Click on the blue hyperlink and then enroll yourself in the curriculum.

6. Once you have completed your required Healthstream modules, please contact Ron Gerona at (708) 216-9387 or rgerona@lumc.edu. Ron will review your transcript in Healthstream and will activate your user record in Epic if all modules have been completed.

   It is a LUHS policy that all users complete training, either classroom or computer based, prior to activation of their record in EPIC.

Your initial password in EPIC, when you first log onto the medical record system on campus, will be “Loyola2160.” You should change it to a unique password after you successfully log on for the first time.
