JumpSTART® Pediatric Mass Casualty Triage Course Guidelines
February 2016

This document outlines course participant and instructor guidelines for the full 3-hour Illinois EMSC JumpSTART® Pediatric Mass Casualty Triage courses. Any questions related to course conduction or participation can be directed to the Illinois EMSC office at 708-327-EMSC.

Course Participant Guidelines

Provider Course
Provider course participants should ideally be healthcare professionals (i.e. physicians, registered nurses, EMTs, respiratory therapists) or other allied health personnel.

Train-the-Trainer Course
Train-the-trainer course participants must be licensed healthcare professionals (i.e. physicians, registered nurses, EMTs, respiratory therapists) with current educator experience/background.

Course Instructor Guidelines

Provider Course
Instructors for provider courses must:
- Successfully complete a JumpSTART® Train-the-Trainer course
- Utilize current training materials available on the Illinois EMSC website
- Submit a copy of the Training Completion form and Student Tracking Form (course roster) to the Illinois EMSC office after each course completion

Train-the-Trainer Course
Instructors for Train-the-Trainer courses must:
- Successfully complete a JumpSTART® Train-the-Trainer course
- Have current role/responsibilities that include providing adult healthcare related education
- Have current background and experience in emergency medicine/disaster preparedness
- Utilize current training materials available on the Illinois EMSC website
- Submit a copy of the Training Completion form and Student Tracking Form (course roster) to the Illinois EMSC office after each course completion

Course Coordinators
Course coordinators are responsible for ensuring the overall coordination of the JumpSTART® course by handling various responsibilities including but not limited to: securing the course location, scheduling instructors, obtaining course supplies/needs, utilizing current training materials, adhering to the course agenda, and completing appropriate documentation.
