

Medicare Wellness

Welcome to Medicare (IPPE) Go402

First Annual Wellness Visit (AWV) Go438

Subsequent Annual Wellness Visit (AWV) Go439

Welcome to Medicare (IPPE)

One time benefit for new Medicare beneficiaries (typically when they turn 65) who are within the first 12 months of their Medicare Part B coverage period.

First Annual Wellness Visit

For beneficiaries who are not within the first 12 months of Medicare Part B coverage and have not had an IPPE or AWW

Welcome to Medicare (IPPE)

- PMHx/PSHx, Meds, FHx, SHx
- Depression screen
- Functional and safety assessment (ADL's, fall risk, hearing impairment)
- “Exam” (Ht, Wt, BMI, BP), visual acuity
- Advanced directives
- Education, counseling and preventative services (**include a brief written plan, such as a checklist of preventative services**) and a once-in-a-lifetime EKG

First Annual Wellness Visit

- **Health Risk Assessment (HRA)**
- Care Team
- PMHx/PSHx, Meds, FHx, SHx
- Depression screen
- Functional, safety, hearing impairment screen
- Cognitive impairments
- “Exam” (Ht, Wt, BMI, BP)
- Preventative – establish a **written screening schedule**
- Health advice (smoking cessation, weight loss, etc.)

Subsequent Annual Wellness Visit

- **Health Risk Assessment (HRA)**
- Update care team
- Update PMHx/PSHx, Meds, FHx, SHx
- “Exam” (Wt and BP)
- Cognitive impairments
- Update the **written screening schedule**
- Health advice (smoking cessation, weight loss, etc.)
