Fall 2017
Course Registration Packet

Register through LOCUS, Loyola's online connection to University Services. Visit website: www.luc.edu and click on LOCUS.

All graduate students **must** maintain continuous registration to remain in the graduate program. After completion of the required 48 credit hours for the Ph.D. or 24 credit hours for the M.S. registration is maintained by Dissertation or Thesis Supervision. Physiology M.S. and Pharmacology MS/MBA students are not required to register for thesis supervision. Also, if you are required by your program to take Journal Club and / or Seminar, even if it is for zero credit hours, you must register.

The registration period is **Monday, July 10 through Sunday, July 30, 2017**. Classes begin July 31, 2017.

Please use the attached Biographical Record document to inform us of any changes in your address, phone number, etc. This form is not required if all information remains the same.

LATE REGISTRATION

Late registration begins **July 31**. A late registration fee of \$50.00 will be assessed by the Bursar's Office.

If you have any questions, please contact your Graduate Program Director or the Graduate School Office at ext. 6-3532.
