Neuroscience Institute & Neuroscience Graduate Program
Fall 2012 Seminar Series & Journal Club

Tuesdays at 4:00 PM, Bldg 102, Rm 4607*
*seminars only

August 7
Drs. Stubbs and Fargo
Journal Club-Orientation

August 14
Keith Fargo, Ph.D.
Journal Club (Hines, Rm A235)

August 21
Keui Y. Tseng, Ph.D.
Assistant Professor, Department of Molecular and Cellular Pharmacology
Rosalind Franklin University

Periadolescent maturation of GABAergic circuits in the prefrontal cortex: a common underlying mechanism for adolescent liability to cannabis and cocaine abuse?

August 28
Vincent Borkowski, B.S. (First Year Ph.D. Student)
Journal Club (Hines, Rm A235)

September 4
Cynthia L. Von Zee, Ph.D.
Research Assistant Professor, Department of Ophthalmology
Loyola University Chicago

TGF-beta 2 mediated enhancement of ET-1 content in human trabecular meshwork cells: Implications for glaucomatous optic neuropathy

September 11
Son Ton, B.S. (Second Year Ph.D. Student)
Journal Club (Hines, Rm A235)

September 18
Jonathan Lautz, B.S. (Second Year Ph.D. Student)
Journal Club (Hines, Rm A235)

September 25
Audrey Henning, B.A. (First Year Ph.D. Student)
Journal Club (Hines, Rm A235)

October 2
Daniel Shepherd, B.S. (First Research Year M.D., Ph.D. Student)
Journal Club (Hines, Rm A235)

1/31/2013
October 9  
John McDaid, Ph.D.  
Research Associate Professor, Department of Anesthesia and Critical Care, University of Chicago  

Ethanol interactions with nicotinic receptors, implications for motor impairment and reward

October 16  
No Seminar

SfN Meeting New Orleans, LA

October 23  
Hui Ye, Ph.D.  
Assistant Professor, Department of Biology, Loyola University Chicago Lake Shore Campus  
(Video Conference from Lakeshore Campus in rm 4607)

October 30  
Jean Decety, Ph.D.  
Irving B. Harris Professor of Psychology and Psychiatry, University of Chicago  
(Video Conference from Lakeshore Campus in rm 4607)

November 6  
Orly Lazarov, Ph.D.  
Associate Professor, Anatomy and Cell Biology, University of Illinois at Chicago

November 13  
Lauren Cronk, B.S. (First Year Masters Student)  
Journal Club (Hines, Rm A235)

November 20  
Shunbin Xu, M.D., Ph.D.  
Assistant Professor, Neurological Sciences, Ophthalmology, Rush University  

microRNAs in retinal and neurodegenerative diseases

November 27  
Bruce Miller, M.D.  
Professor, Neurology and Psychiatry, University of California, San Francisco  
(Video Conference from Lakeshore Campus in rm 4607)

December 4  
Stephen Steidl, Ph.D.  
Assistant Professor, Department of Psychology, Loyola University Chicago Lake Shore Campus

December 11  
Abir Mneimneh, B.S. (First Year Ph.D. Student)  
Journal Club (Hines, Rm A235)
