Making of the Human Brain

Pasko Rakic, MD., Ph.
Department of Neurobiology
Kavli Institute of Neuroscience
Yale University
Hines VA Administration and CARES, Hines, IL
Loyola University Medical Center Dec. 2, 2010
Alexander Karczmar Distinguished Lecture

“Making of the Human Brain”

Pasko Rakic, MD., Ph.
Department of Neurobiology
Kavli Institute of Neuroscience
Yale University
Hines VA Administration and CARES, Hines, IL
Loyola University Medical Center Dec. 2, 2010
Alexander Karczmar Distinguished Lecture
"Making of the Human Brain"

Vladic, MD., Ph.
Department of Neurobiology
Institute of Neuroscience
University

Nematode  Fly  Mouse  Rhesus monkey  Human
Hines VA Administration and CARES, Hines, IL
Loyola University Medical Center Dec. 2, 2010

Alexander Karzczmar Distinguished Lecture

"Mapping of the Human Brain"

Stefan Zebic, MD., Ph.D.
Department of Neurobiology
Institute of Neuroscience
University
Talting of the Human Brain
Hines VA Administration and CARES, Hines, IL
Loyola University Medical Center Dec. 2, 2010
Alexander Karczmar Distinguished Lecture

“Making of the Human Brain”
Loyola University
Alexander Karcz

“Making of

Pasko Rakic, MD., Ph.D.
Department of Neurology
