Arthur Light, MD Lectureship in Ophthalmology
The late Arthur Light, MD, is known to the Loyola Ophthalmology Department for his dedication to teaching and compassionate care of his patients. Faculty and residents alike have benefited from his expertise in the field of glaucoma. The lectureship was established to continue Dr. Light's mission to teach.

John J. Skowron Distinguished Professorship in Ophthalmology
The late John J. Skowron, MD, was a graduate of the Stritch School of Medicine Class of 1943. His 40-year career in ophthalmology included a special interest in cataract surgery and glaucoma and a keen interest in educating ophthalmology residents. Through his generosity, twice each year we present a prominent subspecialist in ophthalmology to discuss a current topic in that field.

PROGRAM DESCRIPTION
Glaucoma management techniques are complex and include medication, laser and surgical techniques. Design changes in intraocular lenses and surgical techniques for treating cataracts are rapid and constant. The comprehensive ophthalmologist is challenged to remain current in his/her understanding of and proficiency with the myriad treatment modalities. This program will address the newest information, designs and techniques in these areas.

CURRICULAR GOALS AND OBJECTIVES
Provide information on the newest medical, laser and surgical concepts in the management of glaucoma. Provide information on the newest surgical concepts in cataract management.
Upon completion of this activity, participant should be able to:

- Discuss and potentially apply recent innovations in cataract and glaucoma management.
- Describe concepts behind cataract techniques and glaucoma complications.
- Discuss pertinent research/literature that support recent innovations in both cataract and glaucoma management.

COMPETENCIES ADDRESSED
This educational event will address the following competencies: patient care, medical knowledge, practice-based learning, and professionalism.

TARGET AUDIENCE
This educational activity is designed for ophthalmologists and ophthalmology healthcare professionals who perform cataract surgery, and/or treat and manage glaucoma as well as perform glaucoma surgery.

ACCREDITATION
The Loyola University Chicago Stritch School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Loyola University Chicago Stritch School of Medicine designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Nurses and other health professionals will receive a Certificate of Attendance. For information on applicability and acceptance, please consult your professional licensing board.

Loyola University of Chicago is an Equal Opportunity Educator and Employer.

CONFERENCE LOCATION
Loyola University Chicago
Stritch School of Medicine
John & Herta Cuneo Center
2160 S. First Ave.
Maywood, IL 60153

SPECIAL NEEDS
