Welcome to Loyola University Chicago!

We are so excited that you will be a part of our community this year. There is so much to engage in on campus and in Chicago. One of the best ways to stay connected is to live on campus. Our safe and convenient housing that is located in the heart of Chicago is an amazing opportunity that you can take advantage of.

Baumhart Hall is located in the heart of the city at Pearson and Wabash, two blocks west of Chicago’s Magnificent Mile, and steps from CTA bus and El stops. This apartment style residence hall is located directly above the Terry Student Center, where students can access Water Tower Campus Life Offices, Wellness Center, Ministry Services, a chapel, as well as study space, communal kitchens, laundry facilities, and a state of the art fitness center. Kitchens in each apartment include a full refrigerator, stovetop and oven, and microwave.

If you are interested in this housing option, you may apply online through Loyola's LOCUS system (once you have a login and password) by clicking on the Residence Life link on the left hand side navigation menu (www.luc.edu/locus). Incoming Graduate students need to pay the $500 non-refundable, non-transferrable prepayment. If you have any questions, please contact the Department of Residence Life at (773) 508-3300.
