

JORDAN ROSENBLUM, M.D.

Chief, Neuroradiology Division Professor of Radiology and Neurology Medical School: The University of Chicago Residency: The University of Chicago

Neuroradiology Fellowship: The University of Chicago

Dr. Rosenblum joined the faculty in 2009. He has experience as a neuroradiologist, neuro-interventionalist and vascular and interventional radiologist. He is board certified in Diagnostic Radiology and sub-specialty certified in Neuroradiology.

Dr. Rosenblum is interested in neuro-vascular disease, imaging in neuro-oncology as well as in resident and fellow education.

MARIAH BASHIR, M.D.

Assistant Professor of Radiology and Otolaryngology Medical School: The University of Illinois College of

Medicine- Peoria

Residency: University of Louisville

Neuroradiology Fellowship: University of Wisconsin - Madison

Dr. Bashir joined the faculty in 2016. She is board certified in Diagnostic Radiology and sub-specialty certified in Neuroradiology.

Dr. Bashir is interested in interested in radiology education, Head and Neck Imaging.

KONRAD LEBIODA, M.D.

Assistant Professor of Radiology

Medical School: The University of South Carolina Residency: Mount Sinai Medical Center – New York

Neuroradiology Fellowship: Mount Sinai Medical Center – New

York

Dr. Lebioda joined the faculty in 2009. He is board certified in Diagnostic Radiology and sub-specialty certified in Neuroradiology.

Dr. Lebioda is interested in radiology education, Head and Neck Imaging and Functional MR.

ATUL K. MALLIK, M.D., PH.D.

Assistant Professor of Radiology

Medical School: The University of Chicago Graduate School: The University of Chicago

Residency: University of Utah

Neuroradiology Fellowship: University of Utah

Dr. Mallik joined the faculty in 2018. He is board certified in Diagnostic Radiology and sub-specialty certified in Neuroradiology.

Dr. Mallik is interested in Advanced Imaging, Neuro-Oncologic Imaging and General Neuroradiolgoy.

PAOLO NUCIFORA, M.D., PH.D.

Associate Professor of Radiology

Medical School: The University of Chicago Graduate School: The University of Chicago Residency: University of Pennsylvania

Neuroradiology Fellowship: University of Pennsylvania

Dr. Nucifora joined the faculty in 2015. He is board certified in Diagnostic Radiology and sub-specialty certified in Neuroradiology.

Dr. Nucifora has a wide range of research interests including imaging in Traumatic Brain Injury, Imaging in Psychiatric Disorders and DTI and Tractography.

VIVEK SEHGAL, M.D.

Clinical Associate Professor

Medical School: University of Delhi Residency: University of Connecticut

Neuroradiology Fellowship: The University of Chicago

Dr. Sehgal joined the faculty in 2017 He is board certified in Diagnostic Radiology.

Dr. Sehgal has clinical interests in Advance Imaging, Neuro-Oncologic Imaging and General Neuroradiology.

Clinical Assistant Professor in the Department of Radiology Medical School: Rush Medical School, Chicago, Illinois Residency: Loyola University Medical Center, Maywood, Illinois Neuroradiology Fellowship: Northwestern Memorial Hospital, Chicago, Illinois

Dr. Pasternak has clinical interests in Head and Neck Imaging, Pediatric Neuroradiology and radiology education.

MATTHEW R. REYNOLDS, M.D.

Assistant Professor of Neurological Surgery and Radiology Medical School: Northwestern University

Residency: Barnes Jewish Hospital – Neurological Surgery Fellowships:

Emory University School of Medicine – Cerebrovascular Surgery Thomas Jefferson University Hospital – Endovascular Neurosurgery

Dr. Reynolds has special interests in cerebrovascular disorders including both operative and endovascular management.

JOSEPH SERRONE, M.D.

Assistant Professor of Neurological Surgery and Radiology

Medical School: University of Kansas City School of Medicine Residency: University of Cincinnati – Neurological Surgery Fellowships:

University of Cincinnati – Endovascular Neurosurgery Helsinki University Central Hospital, Finland – Cerebrovascular and Skull Base Surgery

Dr. Serrone has special interests in cerebrovascular disorders including both operative and endovascular management.
