After the track lottery assignment is complete, students may contact Agape Lamberis in Registration & Records for possible rescheduling of individual required months, according to the following guidelines:

- 1) Students must maintain at least one Sub-I in the first half of the year (July-December).
- 2) Student numbers per month must not exceed the maximums set by the course directors.
- 3) After Sub-I site/service assignment (a separate process) is complete, students must seek approval from the Sub-I coordinator (Debi Kurcab) regarding any changes to their site/service assignment.
- 4) All schedule and site/service changes must be made a minimum of 30 days in advance of the course start date.
